☒ **KULRWGHWRUSDLGLWVUSRRSRUPLODU** Ventures are encouraged to leverage Concept Fund grants to secure matching funding from government or industry.

Business model competitions: travel costs (hotel and transportation) for participating in a business model competition in another city.

Except for hiring of students as mentioned above, the Concept Fund grant may not be used to pay founders or employees of the venture.

CONCEPT FUND

HATCH.UBC.CA

APPLICATION

Please complete this fillable form, download as a pdf and submit to manager@hatch.ubc.ca along with your budget and EiR support email as described below. Incomplete applications will not be considered. You can submit your application at any time—there is no application deadline. The Concept Fund Awards Committee meets periodically to review applications. Successful applicants will be notified by email.

Company information

Full legal company name:

Is the venture incorporated (yes or no)?:

Business number:

Company mailing address:

Contact name:

Email:

APSC Connection: Does your company have a founder, employee or student from the UBC Faculty of Applied Science, or will the requested funding support the hiring of a UBC APSC student? Your answer will help us determine the funding source but *will not* affect whether or not you receive a grant. If yes, please describe your APSC connection.

Purpose: Describe the purpose or project(s) you will use the Concept Fund money for.

Budget: Please attach a detailed budget for what you plan to spend the Concept Fund grant on. Any travel budget in your application may not exceed C\$2,500 per person, maximum 2 people.

EIR Support: Attach an email from an e@UBC Entrepreneur-in-residence (EIR) to your application. Your EIR needs to explicitly state the key venture-development milestone the concept fund will help you achieve.
